[1] APY=Annual Percentage Yield. 4.00% APY available on Ultimate Rewards Package on the first $500 of the account balance in member's Share savings account. The standard APY for regular Share Savings accounts will be paid on 'non-qualifying' accounts and the portion of account balances greater than $500. Please refer to our published rates. Dividend accrual for the higher yield begins the month after enrollment and all program requirements have been met. Non-qualifying accounts are those that do not meet the eligibility criteria: E-statements, TCU checking account, and either Direct Deposit ($500 net monthly minimum) or three or more payments of at least $10 each through Bill Pay. Business and organization accounts not eligible. One Ultimate Rewards Package per Social Security number. Rate subject to change at any time.

[2] Direct Deposit eligibility for the Ultimate Rewards Package will be evaluated month by month, on the last day of each month, beginning with the month you enroll for Ultimate Rewards. A minimum monthly Direct Deposit of $500 qualifies. Some restrictions apply.

[3] Bill Pay eligibility for the Ultimate Rewards Package will be evaluated month by month, on the last day of each month, beginning with the month you enroll for Ultimate Rewards. The Ultimate Rewards dividend will be paid for the months in which three or more bill payments of at least $10 each post to your account. See *www.traviscu.org* for complete disclosures and agreements regarding our Bill Pay service.
