2018 ANNUAL REPORT

Creating Authentic Community Impact

CREATING AUTHENTIC COMMUNITY IMPACT

Since 1951, Travis Credit Union has taken pride in serving our members and our communities. Over the years, our members' financial needs have changed. We've purposefully positioned ourselves not only to listen but to anticipate these changes and to respond in a genuine, effective way that creates authentic community impact.

How do we create this impact? By transforming our branches to break down physical barriers that hinder open dialogue with our members. By opening up a real dialogue through community round table discussions. By becoming more than just a financial institution. And by providing educational programs and financial services that help people make informed monetary decisions. Through these efforts, Travis is helping our members – and our communities – enjoy both financial success and a better quality of life.

We're improving the lives of our members by giving them the tools they need to understand their own finances, save for the unexpected, and enjoy a healthy and bright financial future. This makes a real impact on their financial lives.

We invite you to view our 2018 Annual Report.

Thank you for your membership.

Report from the President and Board Chair

Barry Nelson PRESIDENT & CEO

Patricia Moreno BOARD CHAIR

In 2018, Travis Credit Union completed another successful year of service to our membership and to our communities. With more than \$3.12 billion in assets and more than 200,000 members, Pat and I are proud to say that the credit union continues to make a real difference for our members by creating value through authentic community banking.

More value and convenience

In 2018, we continued to evolve to meet our members' needs through improvements in our technology and digital delivery services, in new products and services that provide even more value and convenience, and in a new Pleasant Hill branch that makes it easier for local residents to do business with us. We've made significant strides in improving the functionality and features of our Mobile App, too.

Also, last year we laid the groundwork for the early 2019 launch of the Travis Credit Union Foundation, a separate 501(c)3 nonprofit corporation that allows us to further advance our **Awesome Cause of Financial Education**, **Financial Literacy and Financial Advocacy**. It is through our Awesome Cause that we can build stronger communities, which is at the very heart of the credit union philosophy of people helping people.

Effective and efficient communications

There were changes internally, too. In 2018, Travis became more effective with our internal communications by using the latest streaming technology to conduct live quarterly Town Hall meetings viewable by all employees. These live meetings, held at the start of the work day, allow us to efficiently reach all employees simultaneously to discuss important company topics in a regularly scheduled time-frame.

Another way we've kept up with the change in trends is by the installation of 10 electric vehicle charging stations in the parking lot of our corporate offices in Vacaville. We recognize that our employees want alternative, more environmentally friendly solutions when they commute to work.

Perhaps the most notable change, if you're reading this, is the size of this 2018 Annual Report. Reduced in size and content, this publication is another example of our effort to reduce paper use as well as be more effective in what we do. Rest assured all the pertinent financial information remains available in this Annual Report.

Finances remain strong

Financially, our credit union's net worth remains well above the standards required by regulators, which puts Travis in a position of financial strength and security. This allows us to not only provide low-cost products and services but also continue our financial education efforts throughout so that we continue to create a positive impact.

Thank you for your membership.

Travis Credit Union

In 2018, DepositAccounts again named TCU one of the top 200 healthiest credit unions in America. This outstanding distinction and vote of confidence recognizes how well TCU is managed and operated.

CREATING AUTHENTIC COMMUNITY IMPACT

Travis Credit Union has always had a mission to help our members and the communities we serve. For nearly 70 years we've been building relationships with generations of families and businesses to help them achieve their financial goals. Today, we're doing this through financial literacy, advocacy, and education, giving our members the tools they need to make informed decisions and take charge of their finances. Better lives, big impact.

CliftonLarsonAllen LLP conducted the annual audit of the 2018 financial statements of the credit union. The financial statements above are condensed for readability and do not meet full disclosure requirements of generally accepted accounting principles, and are not presented in their audited format. Full, audited copies of the financial statements are available at the credit union's administrative offices.

Supervisory Committee Report

The Supervisory Committee's major responsibilities are to safeguard our members' assets, ensure an independent audit is performed annually and verify members' accounts. In 2018, the committee performed its duties in collaboration with the credit union's internal audit department, certified public accountants, the National Credit Union Administration (NCUA) and the California Department of Business Oversight (DBO).

The Supervisory Committee engaged the auditing firm of CliftonLarsonAllen LLP to perform the annual independent audit of Travis Credit Union's financial statements. We are pleased to inform you that the audit for 2018 was completed successfully. Travis Credit Union's financial statements comply with generally accepted accounting principles and fairly represent the financial condition of the credit union.

Based on the results of the annual financial audit, TCU's internal audits and examinations conducted by the NCUA and DBO, the committee finds that Travis Credit Union is a financially sound organization, dedicated to serving its members. In addition, the committee commends the management team and board of directors for their diligence and support.

The Supervisory Committee continues to fulfill its duties to protect your interests in strict compliance with policy and all relevant laws and regulations.

Respectfully submitted,

Arturo Reyes Supervisory Committee Chair
