# Celebrating Our Record

In 2019, Travis Credit Union celebrated 68 years of service. TCU was established in 1951 to serve military and civilian personnel at Travis Air Force Base. By December of that year, the credit union had 68 members and \$2,105 in deposits. In December 1999, TCU acquired a community charter, extending credit union membership benefits to any California resident who lives, works, worships, or attends school in Alameda, Contra Costa, Colusa, Merced, Napa, Placer, Sacramento, San Joaquin, Solano, Sonoma, Stanislaus, or Yolo County.

With its strong record and reputation, TCU is unique among financial organizations in Northern California today. We're honored to be the financial institution of choice for more than 200,000 members and we believe our credit union makes a real difference in the lives of our employees, our communities, as well as members.
