

The Access Account

Manage your finances the way
that's important to you

The Access Account

We get it. You want to manage your finances the way that's important to you. You want a simple debit card account that easily connects to today's mobile and online technology. You want your money kept safe and secure until you're ready to use it. And you want a convenient, checks-free way to bank. What you want is Travis Credit Union's new Access Account.

What is Access

This new account has many of the features you'd find in a traditional checking account—but without the hassle of writing checks, recording them in your check register and waiting for them to clear. Plus, you'll avoid the fees that come with insufficient funds in your account to cover those checks.

Instead, Access simplifies your banking. You can do things such as withdraw cash, reserve hotel rooms or cars, pay for gas and other debit card purchases, as long as you have funds in your account.*

Who is eligible for Access?

Our Access Account is geared toward young adults who are establishing themselves financially but it is available to anyone looking for an easy-to-manage, tech-focused alternative to traditional checking accounts. Access has none of the limitations of a prepaid card but nearly all of the benefits of a checking account.

What comes with Access?

With Access, you're automatically enrolled in TCU electronic statements and can enjoy free mobile banking, including our mobile deposit feature that allows you to make paper check deposits using your smartphone. You'll also get free bill payments, free direct deposit and free online banking.

Access account holders have full access to our branches and our Member Service Center for assistance, along with all the other benefits that come from membership at Travis Credit Union.

You can manage your Access account via TCU's iPhone®-or Android®-based mobile phone app. Do all of your banking right in the palm of your hand-held smartphone. How easy is that?

Access is your alternative to checking accounts:

- Convenience of a Visa® debit card
- None of the limitations of a prepaid card
- Automatic enrollment in TCU electronic statements
- Free mobile banking and bill pay if you don't have funds in your account, no worries. We'll just decline the transaction.

How do I get Access?

Visit your nearest Travis branch or call **(800) 877-8328** to apply. You can also visit www.traviscu.org to learn more about our Access account, as well as our other products and services.

*Purchases made with the Access Account debit card will be rejected if there are insufficient funds in the account. This account cannot be linked to overdraft sources or courtesy pay. Personal checks are not allowed with this account. Applicant must meet membership and account qualifications. Other restrictions and conditions may apply. See www.traviscu.org for complete account details.
