Insurance and Loan Protection

TruStage™ Auto and Home Insurance Program¹

You trust Travis Credit Union to provide you and your family with quality products and services to meet your financial needs. We've joined with a dedicated team of insurance professionals to bring you the TruStage Auto and Home Insurance Program.

- The TruStage Auto and Home Insurance Program is the property and casualty coverage solution preferred by credit unions and their members.
- Access convenient e-service to pay your bill or make changes to your policy, even report a claim.
- Receive fast, easy access to claims service 24 hours a day.
- Obtain a free, no-obligation quote.

Whole Life Insurance

For ongoing, competitive life insurance, consider whole life insurance. Unlike term life insurance, which ends at a certain age, this plan remains in force throughout your life.

Guaranteed Asset Protection (GAP)²

GAP helps pay off your loan in the event your auto, motorcycle, recreational vehicle (RV) or watercraft is stolen or damaged beyond repair. GAP assists in paying off the deficiency balance on your loan after your primary vehicle insurance company pays the value of the vehicle at the time of loss. You can purchase GAP on your auto loan at any time.

Member-valued Protection (MVP)³

MVP is payment protection that you can apply to an eligible loan to help you make your payments during financial hardship, such as involuntary unemployment, disability or loss of life. MVP makes the monthly loan payment, including principal and interest, up to the maximum stated in your agreement. Choose from three protection options to find one that best suits your needs.

Mechanical Breakdown Insurance (MBI)

MBI protects you from the high cost of unexpected repairs to your new or used vehicle. Although the coverage options depend on the make, model, year and mileage of your vehicle, you can purchase MBI even if you own your vehicle or if it is financed through another institution.

I.D. Theft Assistance

Protecting your private information is our priority, and we want to help you if fraud occurs. We automatically provide all of our checking account holders I.D. Theft Assistance at no additional charge. This includes access to a caseworker who will provide you with a personalized Fraud Resolution Kit and walk you through the resolution process. The kit includes government agency contact information and dispute letters to credit bureaus. If you need to use the service, please call **(800) 251-2311**, Monday through Friday, 7:00 a.m. to 8:00 p.m. (CT).

Accidental Death & Dismemberment Insurance (AD&D)

Each year, members who are 18 or older are notified by mail that, as a credit union account benefit, we provide up to \$1,000* of AD&D insurance, underwritten by Minnesota Life. All you have to do is enroll. Additional coverage* can be requested by phone or through the mail and the premium is deducted quarterly from your TCU account.
