**Save up to \$300 a Year\***

An independent study shows that Travis Credit Union members save almost \$300 a year, as compared to bank customers. Because we are a member-owned, not-for-profit financial institution, our priority will always be to provide more value to our member-owners.

\*Based on a two-member household in a 2007 and 2008 study commissioned by Travis Credit Union and conducted by Dr. William E. Jackson III, professor of finance and management at the University of Alabama, and former policy advisor at the Federal Reserve Bank of Atlanta.
