Home Loans and Services
Take a big step toward your dreams

TRAVIS CREDIT UNION
We can help you buy or refinance a home

When you’re ready to purchase a new home, refinance the one you own or tap into your home equity, let us help you take that big step toward your dreams. We’ll work with you to find the right home loan program that fits your budget and walk you through the home purchase, refinance or home equity process.

Finance with people you know
A home loan is one of the largest financial commitments you’ll make. Shouldn’t you finance with people you know? Our mortgage loan consultants understand the importance of providing a timely decision on your loan application and on providing you the best service possible every step of the way. We underwrite, fund and service your loan in-house*, so your loan stays with us, the people you know.

First Mortgages
Get pre-qualified for a loan first so you can act quickly when you find the house you want. We offer home loans of up to $3 million.

HomeReady® by Fannie Mae
We work with local agencies and Fannie Mae to encourage home ownership by providing affordable home financing to build stronger communities.

Refinancing
Our mortgage loan consultants can show you how current interest rates can help save you money when you refinance your mortgage. Use these funds to consolidate debt, reduce the length of your loan or convert your variable-rate loan to a fixed rate loan.

Home Equity Loans
Tap your home’s equity for the important things in life. Renovate your home, pay college tuition, sponsor a wedding or other special occasion. Use your equity to consolidate high-interest credit card debt to reduce your payments. Check with your tax advisor to see if those equity interest payments are tax deductible.

Check your home equity. To determine how much equity you have in your home, subtract what you owe on your mortgage from the current value of your home. The remainder is your home’s equity.

A fixed-rate home equity loan is a practical way to acquire the cash you need. We offer 7, 15, or 20-year fixed rate terms. This is a smart option if you require a large amount of cash immediately.

A variable-rate HELOC allows you to draw money from available funds as you need them without paying interest until you use them. Enjoy interest-only payments for the first 10 years with an additional 15 years to pay off the balance.

*Excludes FHA/VA and out-of-state loans
Applying is easy

Whether it is in branch, online or over the phone we make the application process easy for you. In many cases, you’ll have results within minutes of completing your application.

Convenient payment options

- Making your loan payment to us is easy and convenient.
- Arrange monthly payroll deductions or automatic transfers from your checking or savings account.
- Transfer funds through Online Banking, Call-24 Phone Banking or at any branch.
- Send your payment through the mail.

Property insurance may be required. 1. Please consult your tax advisor. 2. Consists of a 10-year draw period with interest-only payments, followed by a 15-year (non-draw) repayment period. For example, at 4.75% APR, you would pay $7.78 per month per $1,000. There is a $50 annual fee which will be waived if, on December 31, the balance of your line-of-credit is over $5,000. The loan rate may vary with a maximum APR of 18%.

Three Easy Ways to Apply

- Call (888) 698–0000 or (707) 469–2000
- Apply online at www.traviscu.org/realestate
- Stop by your local TCU branch.
- Visit our Web site to find a branch near you.
