Dear College Applicants & Your Families:

Credit unions were founded on the principle of “People Helping People” and Travis Credit Union is committed to helping people by building lifelong relationships with our members and communities to help them achieve their financial goals. One of the most important financial goals is to finance college for family members. We are excited to be partnering with the Community Youth Center to provide members of our communities with this Scholarship Resource List. We know how important it is to begin applying for scholarships as soon as possible, and this list will be a great start for students trying to fund their higher education goals. Travis Credit Union itself is on this list. We provide 20 scholarship opportunities annually through our Mary Keith Duff Memorial Scholarship program and competitive paid summer internships for current college enrollees.

I invite you to visit a Travis Credit Union branch soon and let us help you achieve your financial goals. On behalf of our board of directors and staff we wish you the best as you complete your college and scholarship application process.

Sincerely,

Barry Nelson

President/CEO

Travis Credit Union
